

KAAP AGRI SUPPLIERS GOLF DAY AGAIN A RESOUNDING SUCCESS

Since its inception six years ago, the Kaap Agri suppliers charity golf day has become a very special event on the Kaap Agri calendar, and this is thoroughly proven by the way the Kaap Agri suppliers has supported this day.

Within 24 hours from the sending out of the invitations, the field was filled. The demand amongst the suppliers to take part was so high that 40 teams instead of the normal 36 were allowed to play.

This year the four beneficiaries who received R20,000 each from the proceeds of the day were:

- The Boy Muller School in the Kouebokkeveld
- The Mispa School in Elim
- The Oorkant Blue Hand Crèche in Kakamas
- The Quagga Primary in Patensie

In the words of Mr Earle van der Watt, Chief Financial Officer at Capespan (Oorkant Blue Hand Creche):

Thank you for the generous donation of R20 000 which was handed over to us on 10 November 2016 at your annual Golf day.

Kaap Agri's financial support of our Blue Hand Creche at Oorkant Farm, which provides pre-school child care services to the farm worker community, is much appreciated. This service enables women to also take up employment opportunities and earn an income to support their family and children.

Please convey our gratitude to Kaap Agri Board of Directors and Management on behalf of both Capespan Farms and Capespan Blue Hand (CSR).
