TO WHOM IT MAY CONCERN

This letter serves to confirm that a service agreement exists between West Coast Packaging and HACCP Academy, for the development and implementation of a Food Safety Management System, conforming to the requirements of BRC Global Standard for Packaging and Packaging Materials.

All procedures, records, checklists, etc. as required by the BRC Global Standard for Packaging and Packaging Materials, are in the process of being developed and implemented at the West Coast Packaging facility situated in Strand.

Once all documentation has been implemented, an application for certification with an Accredited Certification Body will be made for a certification audit. The proposed audit date will be set for the second half of November 2016.

Should you require any clarification regarding this letter and the progress made at West Coast Packaging, please do not hesitate to contact Trevor at 0828832103 or e-mail at trevor@haccpacademy.co.za

A handwritten signature in black ink, appearing to read 'Trevor Larson'.

Re: Westcoast packaging / Health & Safety

We refer to the above and confirm that we are appointed as Health and Safety consultants at Westcoast Packaging.

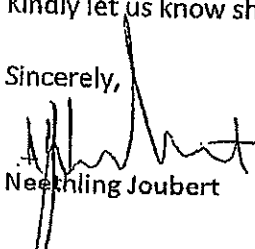

We confirm that Westcoast Packaging committed to applying best practice in health and safety management in accordance with the following objective and taking into consideration the fact that its business may have implications in the environment:

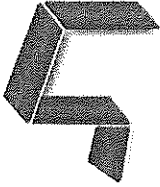

- To ensure compliance with all local, national and international laws, regulations and standards applicable to its business including environmental.
- To set specific objectives for managing health and safety.
- To review health and safety targets annually to ensure appropriateness and enable continuous improvement.
- To document, implement and maintain this policy and ensure that it is communicated to all employees with the intent that employees are made aware of their individual health and safety responsibilities.
- To make this policy available to interested and affected parties by displaying it publicly in key areas.
- To review this policy annually to ensure it remains relevant and appropriate to .

We further record that the company have been audited by the Department of Labor during June 2016 and received a clean Audit.

Kindly let us know should you have any further queries.

Sincerely,

Neethling Joubert
